

The Next Steps

Caring for Your Preemie at Home 2nd Edition

This second edition, will educate parents and caregivers about caring for a premature infant at home.

This updated, evidence-based edition is at least 50 per cent longer than the first and includes new sections on such topics as feeding a premature infant, developmental milestones for premature babies up to two years of age, and recognizing and coping with stress. This useful book has been published in partnership with the Ottawa Children's Treatment Centre.
